

Insurance Benefit Check for Valkryie Fitness and Rehab DBA Little Legends Therapy

Understanding your insurance coverage for occupational therapy is crucial to ensuring you receive the care you need without unexpected costs. By obtaining the following information from your insurance provider, you can make informed decisions about your healthcare. This information will help you plan and budget for your therapy sessions, avoiding any surprises in your medical bills. This information is available to you via your insurance plan document. You can also obtain this information by reaching out to your insurance via the phone number listed on the back of your insurance card.

Important note: please ask if **Valkryie Fitness and Rehab LLC (NPI #1073250668)** is in network with your insurance plan as Little Legends Therapy is our DBA name for pediatrics.
